# **Guaranteed Car Finance Applications Are On The Up**

With credit from major banks at very low amounts of approval [guaranteed car finance](#) was warmly welcomed by many individuals who would otherwise have not been able to have a car because of lack of credit.

So if you have enough of a deposit and can afford the repayments then guaranteed car finance is available but from only certain banks. This is the problem for most clients they just can't get credit. The reason for the absence of money available from the banks is that they have become risk averse and vetting everyone so much that only best customers are getting passed for credit.

With many clients having a bad credit history, the major lenders are not providing loans to a massive catchment of the populace. The following problem facing clients is having enough deposit to give to the banks that where research has to happen. You can find help with this area and find a major broker that deals with guaranteed car finance. If you're an automobile dealer and your finance applications for your customers have been refused then what can you do, find another bank? All this needs time and when your next client comes to get a vehicle and your usual choice of finance company refuses them, you invariably lose the sale.

So with some analysis of the market place you can find a bank which has 50 banks on their panel and can offer guaranteed car finance. Clients that've been refused for finance can be re approached and offered finance from them. It will help car dealers.

Having specialist knowledge and professionals to hand there's always help that may be obtained to get the finance you need. You simply need to know where to find it. As there becomes trickier to get credit and the money you want then having a panel of lenders available is urgent in these these times.

Henri Coombs has a rather more info regarding [guaranteed car finance](#) on their [car finance](#) website writer Henri Coombs has worked for 20 years in guaranteed car finance industry.
